

CREMATION AUTHORIZATION

Northwest Wisconsin Cremation Center

141 Eider Street, Milltown, WI 54858
Phone: (715)825-5550 Fax: (715)472-8665

This authorization form is to comply with the cremation requirements of Wisconsin Statutes 979.10. This form grants permission to Northwest Wisconsin Cremation Center to cremate the deceased named below. The person(s) signing this document authorizes the control of the final disposition of the deceased person named below in accordance with Wisconsin Statutes 979.10.

Name of Deceased:

Date of Death:

The person(s) signing this form below make(s) the following statements and/or acknowledges being advised of the following:

I request and authorized Northwest Wisconsin Cremation Center to cremate the human remains of the deceased person named above in accordance with all applicable laws of the States of Wisconsin.

I am the individual or the legal representative of the individual with the legal right to control the final disposition of the decedent.

To the best of my knowledge, the body of the decedent does not contain any implanted or attached mechanical, electrical, or radioactive device that may create a hazard when placed in a cremation chamber. If a device is implanted, I authorize the device to be removed and disposed of in a proper manner.

I authorize Northwest Wisconsin Cremation Center to remove the body of the decedent from the container in which it was delivered, if that container not appropriate for cremation, and to place the body in an appropriate cremation container. If necessary, the original container or contents that may be inappropriate for cremation may be disposed of in a lawful manner.

I understand that under Wisconsin Statutes 979.10 the crematory named above may reasonably rely upon this authorization to cremate and that I shall hold it harmless from civil liability or criminal prosecution for any lawful actions performed by the above named crematory. This hold harmless agreement is binding upon my personal representative, estate, heirs and assigns.

I am aware, that under Wisconsin Statutes 979.10, the cremation may not occur within 48 hours after the death, or the discovery of the death, of the deceased person unless the death was caused by a contagious or infectious disease.

I authorize the crematory named above to open the cremation chamber and reposition the body of the decedent to facilitate a thorough cremation. I further authorize the crematory named above to remove from the cremation chamber and separate from the cremated remains, any noncombustible materials, and dispose of those materials in a lawful manner.

I acknowledge and understand that the cremated remains of the decedent will be mechanically reduced to a granular appearance and placed in an appropriate container. I authorize Northwest Wisconsin Cremation Center to place the cremated remains of the decedent in a temporary container if the container or urn selected will not accommodate all of the cremated remains.

I acknowledge and understand that even with exercise of reasonable care it is not possible to recover all particles of the cremated remains of the decedent and that some particles may inadvertently become commingled with disintegrated cremation chamber material and other particles of cremated remains that remain in the cremation chamber or the mechanical devices used to process the cremated remains.

I authorize the crematory named above to arrange disposition of the cremated remains of the decedent in the following manner:
